Platte Rivers Veterans Fly Fishing provides basic fly fishing, casting, tying, and rod building classes for veterans. Participants are from all walks of life, all fishing abilities, and from all branches of the military. Fly fishing gear, tying equipment, and materials for rod building are provided at no cost to veterans. Fishing trips, both one day and multi-day, are also provided free of charge to veterans. We are appreciative to our communities, Southeast Wyoming & Northern Colorado for their ongoing support of our veterans.
